CENTRAL LEAGUE TEAMS SHOWING GOOD FORM

'All of the Teams Have Played Exhibition Games with Big League Clubs.

WHEELING IS OPTIMISTIC

Fans of that City Believe Pennant Is Already Cinched-Gossip of Teams.

Special to the Indianapolis Journal. TERRE HAUTE, Ind., April 16.-The Central League baseball clubs played some exhibition games this week, which, with the exception of Evansville, were satisfactory. Evansville was badly beaten by the Boston Nationals twice, and they had been beaten by Cleveland also by a heavy score. The result is that Manager Scholler is after at least two new infielders. He wants Ed Hickey, the Indianapolis man who is holding off from Omaha because of a disagreement with the management last season. Scholler also has a promise of a man from Watkins, of the Minneapolis team, as Watkins has three more infielders than he wants. Evansville's team is to be given a siege of physical culture next week. Terre Haute managed to hold the Boston Nationals down to a score of 7 to 4, and during the week has been playing daily practice games with St. Paul, of the American Association. Manager Kelley, of the latter, will send nine of his men to Evanswith Terre Haute's Central League team. Wheeling fans still insist that their Stoties will lead in the first series. Manager Grim has his two dozen men in training and will take his time in getting down to

TOURNEY PROPOSED

CHICAGO, April 16.-We are likely to have national golf championships of much greater interest than ever before held in this country from this year on.

Vice President E. P. Martin, of the United States Golf Association, announces that the by-laws of the association have been so changed as to make the amateur championships open to players of the world. Invitations will in all likelihood be extended to the Oxford-Cambridge golfers, who made such a favorable impression here last summer, as well as to other wellknown golfers abroad, to compete in the American event, which will in reality be an international championship. It will be held at Baltusrol the week be-

ginning Sept. 5. The entry of foreign players will be awaited with great interest. BY DEFAULT TOWNS

Cost of Running a Team for One Season Leaves Little Margin for Profit.

Very few people who attend baseball games during the summer have any idea what it costs to run a ball team. Of course during war times the cost was simply ridiculous, as managers paid out salaries expenditures. PILGRIMAGE OF AUTOISTS VIEWED WITH MUCH ALARM

Residents Along the Named Routes to St. Louis Interested in the Event.

FOR SUPPLIES DEMAND

The pilgrimage of autoists to St. Louis the coming summer is viewed with almost as much alarm by residents along the route as if the crusaders of Peter the Hermit or Coxey's army were coming. Two of the routes will cross Indiana.

As the stream of vehicles begins to unite, west of Buffalo, the demand for food, gasoline, drink and sleeping quarters will reach tremendous proportions. All sorts of suggestions are being made to obviate the dif-

One of the most practical is that trains of dining, lubricating and sleeping cars shall be run, stopping at fixed points, along the way, for the sole accommodation of those who scorn to confine their wanderings to the beaten paths mapped out for humanity by the first, second and third rails. And the trail of the serpent that snakeology has ever insisted was "over all" won't be a marker to the scatter of confetti and streamers that the benzine buggy folk are buying by the bale as they would hay. It will be worse for the natives to clear up than the average front stoop on the 5th of July. And think of those steps drawn out 1,500 miles long and muddy, too. Considering the amount of gasoline to be used it is likely that John D. Rockefeller will join President Roosevelt in welcoming the tourists to the Mound City,

where the mound will be the only thing not high the coming summer. Now Job had his troubles, but every sore he possessed wasn't of a different kind. Every State and about half the cities, towns and hamlets to be traversed have an auto law, and no two are alike as to speed and penalty. Some of the older autoists do not care so much about these ordinances, because if they should be "pinched" for violation in a quarter of the places, the remainder of their days would not be half long enough for them to serve

out their sentences. To drivers in pin feathers, however, such prospects are appalling. Already the country constables along the line of parade are calculating that they can afford to contribute to the entertainment fund, just like hotel men, because their fees will land them on Easy street. Paradoxical, isn't it, in view of the fact that the chaffeurs will be kept on an uneasy road? One extra man will be needed in each car to keep changing tags and license numbers, as each new domain is entered.

159 8-12 KID M'COY AND FITZ MAY BE MATCHED

> Special to the Indianapolis Journal. NEW YORK, April 16.-Bob Fitzsimmons and Kid McCoy are practically matched to meet in a six-round battle in Philadelphia within five weeks. McCoy has accepted Fitzsimmons's offer to arrange a match to take place in the near future, but the Hoosier boxer will not be able to enter the ring with his opponent for about five weeks, owing to an engagement with Philadelphia Jack O'Brien, which is also scheduled to take place in Philadelphia.

> TABER TO CAPTAIN I. U. BASKETBALL TEAM

Special to the Indianapolis Journal. BLOOMINGTON, Ind., April 16.-Earl R. Taber, of Marion, the star basketball guard, will captain Indiana University five next season. He was chosen to-day by the team. His work in basketball the past season classes him as one of the best men in the One Day for One Move.
